A hand-drawn sketch of a web browser window titled "My Follow Application". The address bar shows "http://localhost/MyFollow/Login". Below the browser window, there are two tabs: "Register" and "Login", with "Login" being the active tab. The main content area contains a "Login" section with two input fields labeled "Email" and "Password", and a "Login" button below them. The entire form is enclosed in a simple rectangular border.

Owner Requests

User Id	Name	Email Address	Company Name	Founded Year	Website	Approve/Reject
2	abc	xyz@abc.com	abc	1990	loremipsum.com	 
5	def	xyz@abc.com	abc	1998	loremipsum.com	 
7	ghi	xyz@abc.com	abc	2015	loremipsum.com	 
14	jkl	xyz@abc.com	abc	2016	loremipsum.com	 

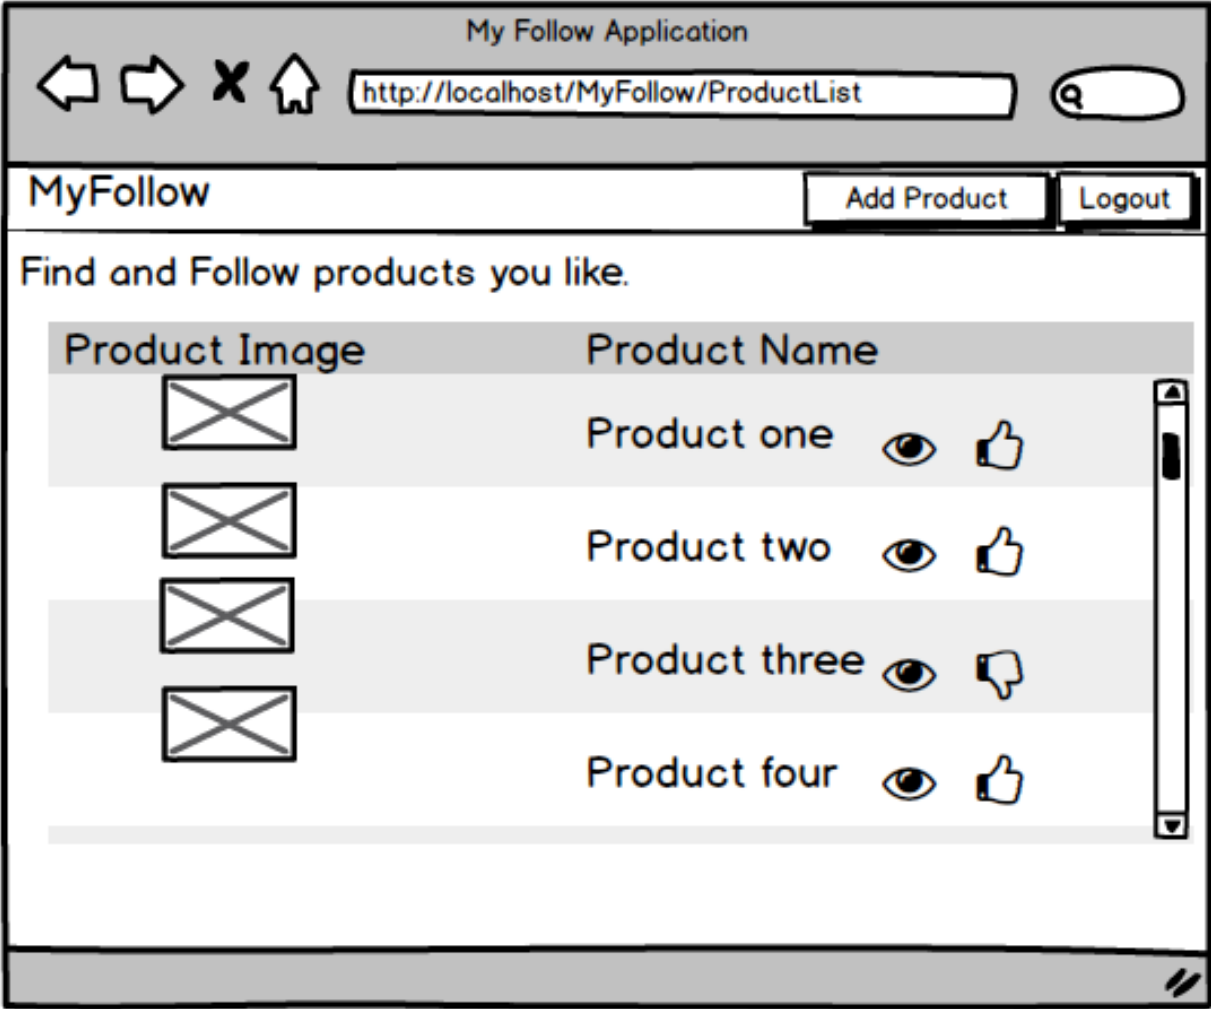

When Admin will approve a notification icon will appear in user's header

If user will click that icon he will be redirected here

If he clicks back button, he will be back to product list but now instead of 'Become Owner' button, 'Add product' button appears

If first time add product button is clicked
